# Nobody deserves to be homeless this Winter

## Help the Friary to help the homeless this Winter

- More people will need our help this year
- Consequences of the pandemic continue to affect the most vulnerable
- Poverty is leading to poorer diets, deteriorating mental health and debt
- The Friary is sometimes the only support network

With your help the Friary will make sure people are not left hungry or alone.

Could you make a contribution towards a meal or the cost of providing practical and emotional support?
